Dear Parents / Old Ignatians / Friends of the College

Retirement of the Head Master, Mr. P. Adams

You will know that Mr. Adams will be retiring at the end of this term. He was appointed Deputy Head in 1987 and has been Head Master since 2003.

The Parents' Association is hosting an evening on 7th December so that members of the extended Ignatian community have an opportunity to say an official farewell. The evening will begin at 7.00 p.m. with mass in the College Chapel, followed by a buffet in the school hall. There will also be live music.

During the evening a presentation will be made by the Parents' Association to Mr. Adams on your behalf. If you would like to make a contribution to that fund, then please complete the section below and return it to the college. Cheques should be made payable to '**St. Ignatius College Parents' Association**'.

On Mr. Adam's behalf, we are grateful for your support.

Yours sincerely

A. M. Dickson (Deputy Head Master)
